January 2009

4650 Flightline Drive
Kingman, AZ 86401

Regular EAA Chapter 765 meetings are held at 8:30 a.m. on the second Saturday of each month at the EAA Hangar on Flightline Drive at the Kingman Airport.

President's Message:
January 2009

Our New Year is here again and with it some changes that I hope will set well with "you" the members that make up our chapter. We will be meeting on the second Saturday of each month at 8:30 AM at our "Don Downie Hangar." I hope the meeting time will increase our membership and guest attendance.

Members have asked if there will be more of the "training, learning, and sharing" sessions we had not long-ago. If anyone wants to be a presenter or you know of someone that has knowledge/skill/info that would be of interest please let me know. Attendance was around 12 to 18 members/guests and comments were positive regarding past sessions.

If you haven't visited our "WEB SITE" at EAA765.org lately, you need to check it out and see the improvements that have been made. Gene Wolff and Tim Gerlach are working on the site w/ more changes coming for the following sections:

Member Profiles - Membership -
Newsletters - Young Eagles -
Aircraft Photos - Airport News -
Events - Fly-outs

When you are asked to contribute info for a profile, photo, story, or something of interest please do not say no ---- say yes and help-out the Chapter.

This is the ninth (9) year since the restart of the chapter. We have 42 members listed with about 28 attending active members through the year. Some members have moved out of state and still pay their dues and receive our FlyPaper. Please contact me if you have ideas that you feel could improve the Chapter and help meet the goals of EAA 765.

Remember that January is the month when every-One's annual Chapter Dues are payable. Scott will be happy to record your payment.

John Pool

Officers
